WHAT OUR CLIENT SAYS

Amazing product with good cord length

Cord length suits my requirement. The product is very good till now.(after using it for around 2 weeks) . Enough space for big adapters like Macbook chargers

Awesome Product

Quality is really good in this price segment. The speed is really upto the mark. Service is also appreciable.

Product is durable, High speed and service is best.

The cable is sturdy, made in India and holds 1 Year* warranty. Checks all the boxes. Go for it. My Benq monitor came with a 16Amp socket hence I had to purchase it.
